

[It's Not Racist To Tell The Truth About Muslim Grooming Gangs](#)

A new report by Quilliam International has found an alarming level of over-representation of (South) Asian men in group-based child sexual exploitation (CSE) crimes, otherwise known as 'grooming gangs'. The Quilliam thinktank spells out, the "Asian men" who target white teenagers and young adults do so "on the basis of their vulnerability, rather than as a result of a preferential sexual interest in children".

[UKIP Environment spokesperson welcomes UN resolution to tackle the 'global crisis' of plastic in the oceans](#)

Britain has joined nearly 200 countries in signing up to a United Nations resolution to eliminate plastic in the sea. Under the resolution, which was signed by all members of the United Nations, all countries agreed to start monitoring the amount of plastic they put into the ocean and to explore ways to make it illegal to dump waste into the seas.
