

Update on measles cases

The Centre for Health Protection of the Department of Health said today (May 11) that no additional case of measles infection had been recorded as at 4pm today.

Regarding measles control measures implemented at Hong Kong International Airport (HKIA), a total of three persons had received measles vaccination at the airport vaccination station as at 6pm today, bringing the cumulative number of vaccinations given to 8 396.

From May 14 to 17, measles vaccination will be provided to airport staff who:

- (1) Were born in or after 1967, and have not received two doses of measles vaccination, and have not been infected with measles before; or
- (2) Have laboratory evidence of testing not positive against measles antibody (IgG).

The vaccination quota for the measles vaccination station at the airport remains at 600 doses daily. The venue and operation hours of the airport vaccination station are as follows:

Venue:	Multi-function Room, HKIA Tower (Level 5, Terminal 2)
Hours:	May 14 to 17 10am to 1pm 2pm to 6pm
