

welters Occasional Table

CEO Keith Welters at the January Furniture Show

welters® recently attended the January Furniture Show at the NEC, where Company Founder Keith Welters showcased a new Occasional Table design. The table is elegantly proportioned and manufactured in decorative cast stone and polished black granite.

The January Furniture Show is an annual event attracting more than 20,000 furniture and interiors professionals and is the largest industry gathering in the UK

The Occasional Table is available for trade and general public, please contact welters for further information admin@welters-worldwide.com

welters® are approved members of the British Furniture Manufacturers Association.
