West End Christmas Fortnight 2020

Tomorrow night, we are holding a West End Christmas Fortnight Zoom meeting to have some informal discussion about how this year's Christmas Fortnight might look given the challenging world 2020 has proved to be.

This is the 20th anniversary of the Christmas Fortnight so, although it will undoubtedly look rather different to the last 19, we are keen to make sure we still celebrate Christmas in the West End and our wonderful shops, schools and community!

If you would like to take part in the Zoom meeting or would like to know more, please e-mail us at christmas2020@frasermacpherson.org.uk – many thanks!
