

Wokingham West PCN is one of the highest performing Covid vaccination areas in the country

I have today received this update from the Secretary of State for Health and Social Care:

Dear John

I am writing to update you on the fantastic efforts of your local Covid vaccination teams. I am delighted to inform you that Wokingham West PCN is one of the highest performing Covid vaccination areas in the country, having now covered over 85% of those over 80.

Britain is leading the global fightback against the virus, being the first country in the world to approve a clinically-trialled vaccine and now deploying the vaccine on the ground faster than almost any other country in the world. And this is down to the tireless efforts of all those involved – especially those on the ground in our communities, from nurses, to GPs, to pharmacies, to volunteers, and so many more.

It's incredible to see this community spirit, as people pull together to lead us collectively out of the pandemic. I hope you will join me in thanking and congratulating all those involved in your area for the part they are playing in this national effort.

Yours ever,
MATT HANCOCK
